Observations on the Greater Vancouver Commercial Real Estate Investment Market by Sam Emam

Dec 2021

It's That Time Of Year Again!

One thing we can all agree on is that the holiday season is a wonderful time of the year. Every year the holiday season makes us think of the many things that have come synonymous with Christmas and the holiday season: charity work, gift-giving, holiday music, decorations, meals, spending time with family and reflecting on the many blessings throughout the year.

Our team will be taking a break from thinking about commercial real estate and would like to wish each and everyone of you and your families a healthy, happy and joyous holidays season filled with laughter and love.

We look forward to working together in the New Year!
